Re: *United States v. Tymel Abrams*, 20 CR 352 (JMF)

Dear Judge Furman,

The Government writes in response to the Order of the Court dated January 8, 2021 and respectfully requests a one-day extension of the deadline of today by which the parties must report to the Court their preference as to whether the Court should hold a conference during the week of Monday, January 25, 2021. The Government has not conferred with counsel to the defendant since a superseding indictment against the defendant was obtained earlier today from a grand jury sitting in the Southern District of New York, a copy of which the Government has provided to counsel to the defendant, and the Government wishes to ensure that such a conferral between the parties takes place before further reporting to the Court so that the defendant can take into consideration this development in conveying how he wishes to proceed. If the Court refers the parties on the issue of the defendant's arraignment on the superseding indictment to the magistrate on duty, then the Government of course undertakes promptly to make arrangements for an appearance before the magistrate on duty as soon as possible.

Respectfully submitted,

AUDREY STRAUSS
Acting United States Attorney
